

TANTANGAN MELAKSANAKAN PERCONTOHAN NASIONAL ZONA BEBAS PEKERJA ANAK DI KUTAI KARTANEGARA

Ali Taufik¹

Abstract: This paper is intended to describe policy of Kutai Kartanegara to implementing free children labour. Free zone of children labour in Kutai Kartanegara emerges as a sole model in Indonesia, even all over the world. In response to the real condition in Kutai Kartanegara the program is challenging for two aspects. Policy in education made by the local government sets opportunities to implement. The strong political view of the government provides good prospects. However, local condition, educational frame of the National Department, and drawbacks pertaining to poor conditions in most districts of Kutai Kartanegara brings the project hard to work. Yet, practical scheme collaborating government, industries, and other stakeholders in education, so far is not formally designed.

Key-Words: Free zone area, children labours, Kutai Kartanegara.

TANGGAL 4 November 2002 merupakan hari bersejarah bagi kabupaten Kutai Kartanegara yang memiliki dampak luas di masyarakat lokal, regional, dan nasional. Tiga menteri di antaranya: Menteri Pendidikan Nasional, Menteri Tenaga Kerja, dan Menteri Dalam Negeri, serta perwakilan ILO (International Labor Organization dari PBB) hadir dalam penancangan Kartanegara sebagai percontohan nasional zona bebas pekerja anak. Momen-momen nasional yang juga berdampak luas sudah banyak diselenggarakan di kabupaten yang memiliki kecamatan 18 dan desa 194 ini. Namun kali ini nuansanya berbeda dilihat dari jangkauan dan dampak
